

VitaFerm® Sure Champ® Public Relations Internship

Program Objective: To provide a variety of experiences related to the feed and livestock nutrition business, both in an office and field setting.

Eligibility:

- Applicants should be entering their junior or senior year in college.
- An agricultural-related major field of study is required. It is strongly recommended that the applicant has taken writing, agricultural communications, photography and marketing classes.
- Proficiency in Adobe Creative Suite, video editing and social media experience is necessary.
- Must be able to provide your own laptop, DSLR camera, Adobe Creative Suite and video editing software. A reliable vehicle for transportation will be needed. (Mileage and travel expenses will be reimbursed.)
- Applicants must have strong writing and communications skills, be detail oriented, outgoing, enjoy travel, have the ability to work well under pressure and with all types of people and be a self-starter who can work on their own.

Location:

The internship will be headquartered at the BioZyme® Inc. office in St. Joseph, Mo. There will also be significant travel across the United States. Interns will be required to work several weekends.

Length of Internship:

End of May 2016 through the end of July 2016.

Supervision:

This internship will be supervised by Crystal Blin, but on a day-to-day basis will be working under the direction of Katie Vaz.

Primary Responsibilities:

- Focus on creating and assisting in the implementation of marketing strategies to grow Sure Champ and Vita Charge® sales.
- Attend all activities related to junior national events and assist with selling of product.
- Work with Sure Champ's social media channels to increase awareness about the brand.
- Digital media work including shooting and editing show ring promotional videos and photography.
- Creating content for the Sure Champ Blog.
- Entering data into established BioZyme database.
- Assist in growing our current customer base and creating new leads.

Other Activities May Include:

- Ride alongs with Area Sale Managers to better understand our product lines and strengthen selling techniques.
- Supporting the dealer network.

How to Apply:

Interested students should email their cover letter, resume, two reference letters, and a writing sample to: Katie Vaz
