Key Benefits:

A 3 in 1 paste that helps to get horses back on their feet faster.

The correct balance of required minerals and vitamins.

A comprehensive nutrition program that provides the right balance of vitamins, minerals, amino acids, anti-oxidants and omegas for maximum support of immune function, health and vitality in a form most available to the animal.

The Amaferm® advantage

Natural Amaferm is a prebiotic scientifically proven to unlock the nutrients contained in your horse's food, allowing the full benefit of their diet.

MOS

MOS is proven to sequester harmful pathogens and boost immune function in the digestive tract.

What value does it have in the animal?

Amaferm Recovery Paste provides faster recovery during:

- > Antibiotic therapy
- > Vaccination program, worming
- > Surgery recovery
- > Sickness
- > Digestive upset
- > Diarrhea
