Ingredients

Wheat Middlings, Soybean Meal, Cottonseed Meal, Ground Extruded Whole Soybeans, Calcium Carbonate, Corn Distillers Dried Grains with Solubles, Dried Cane Molasses, Potassium Chloride, Vitamin A Supplement, Vitamin D-3 Supplement, Vitamin E Supplement, Choline Chloride, Niacin, Calcium Pantothenate, Riboflavin, Vitamin B-12 Supplement, Thiamine Hydrochloride, Monocalcium Phosphate, Dicalcium Phosphate, Dried Aspergillus Oryzae Fermentation Product, Lignin Sulfonate, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Manganese Sulfate, Calcium Iodate, Cobalt Sulfate, Sodium Selenite, Propionic Acid, Manganese Proteinates, Zinc Proteinates, Selenium Yeast, Copper Proteinates.

Sizes Available

25 lb (11.4 kg) Bag

Product

11365

Key Benefits:

The correct balance of required minerals and vitamins.

Highly fortified levels of vitamins, minerals and organic sources of zinc, manganese, copper, selenium, vitamins include A, D and E along with niacin and B-12 for added growth, condition and health.

The Amaferm® advantage

Significantly increase the digestibility of fiber, releasing greater amounts of energy and microbial protein to drive animal growth and health.

What value does it have in the animal?

- Strong steady appetite – animals off feed and finicky eaters are rare.
- Excellent growth rate – helps promote muscle and skeletal development.
- Reduced bloating and other digestive upsets.
- Improved eye appeal – thick shiny hair; bloomy and bright eyed.
- Better overall health – able to combat the stresses of hauling and weather/environmental changes.
- Enhanced breeding performance of show-conditioned females.
- Enhanced scrotal development & semen quality.

Caution: Due to copper level, do not feed to sheep.
