Folic Acid	40.0 mg/lb. Min.
Choline	1,000.0 mg/lb. Min.
Biotin	40.0 mg/lb. Min.

Ingredients

Monocalcium Phosphate, Dicalcium Phosphate, Dried Aspergillus Oryzae Fermentation Product, Heat Processed Soybean Meal, Yeast Culture, Wheat Middlings, Calcium Carbonate, Magnesium Oxide, Vitamin A Supplement, Vitamin D₃ Supplement, Vitamin E Supplement, Choline Chloride, Niacin Supplement, Calcium Pantothenate, Riboflavin Supplement, Vitamin B₁₂ Supplement, Thiamine Hydrochloride, Folic Acid, Pyridoxine Hydrochloride, Biotin, Salt, Potassium Chloride, Selenium Yeast, Zinc Sulfate, Manganese Sulfate, Zinc Proteinate, Ferrrous Sulfate, Copper Sulfate, Manganese Proteinate, Copper Proteinate, Lignin Sulfonate, Propionic Acid (a preservative), Artificial and Natural Flavors, Calcium Iodate, Cobalt Carbonate.

Sizes Available

50 lb (22.7 kg) bag

Product

77303

Key Benefits:

The correct balance of required minerals and vitamins.

A comprehensive nutritional program that provides the right balance of vitamins, organic trace minerals, amino acids and biotin. Vitalize exceeds National Research Council Requirements for Horses.

The Amaferm® advantage

Increases the availability of energy and protein levels via the improved digestion of ration fiber components and simultaneously enhances digestion. Moderates digestive tract pH increasing the horse's well-being and performance.

What value does it have in the animal?

Especially formulated for equine diets that may not contain the correct balance of all required nutrients.

Caution: Due to copper level, do not feed to sheep.
