

VitaFerm® + Creep Feed

**= Easy Transition and
Efficient Gain**

VITAFERM®

A Free Service to You...

BioZyme has nutritionists on staff that can help you create a creep feed recipe that will meet the requirements specific to your production phase and based on your available ingredients.

To access these free services contact your Area Sales Manager or call 800-821-3070 to begin the process.

Putting \$\$\$ Back in Your Pocket

BioZyme® offers a wide variety of proven products to help keep your cattle healthy and efficient. All BioZyme products contain the Amaferm® advantage, a natural prebiotic designed to increase the nutritional value of feed, allowing for more efficient gains.

SURE CHAMP® Proven in the show ring, but works equally as well in creep feed to help maintain the strong appetite and healthy digestive system needed to unlock the genetic potential of your calves. Contains high levels of essential micronutrients for the extra bloom that show and sale cattle require.

SURE CHAMP® RATION BUILDER A 32% protein, pelleted base mix fully fortified with vitamins and minerals making it a great fit for building modern creep feeds. Use it alone or together with Sure Champ Extreme with Climate Control to build high performance show and creep rations.

SURE CHAMP® EXTREME WITH CLIMATE CONTROL A pelleted, daily supplement that promotes appetite and digestive health. Includes ingredients designed to help support animals during extreme temperatures and support hoof and coat care. Also contains garlic, considered a natural insect repellent.

VITAFERM® SURE START® PELLET The ideal supplement for stressed cattle during weaning. This pellet also works extremely well as a creep balancer, bringing high levels of vitamins and minerals when additional protein is not needed. Works well in distillers and corn gluten-based creep feeds.

Vita Charge® Stress Tub with MOS

CONVENIENT Livestock get their daily dose of Vita Charge in a pen setting with our 50 or 200 lb. tub. Ideal for newly weaned calves or cattle that are a part of your sale or show string.

APPETITE IGNITER Contains Amaferm, a research-proven rumen stimulator that ignites appetite. You'll see your livestock utilizing rations more efficiently and steadier appetites, especially during stressful situations like feed and water changes, weaning and time spent on the road.

IMPROVED HEALTH Includes MOS, a unique product that traps bad bacteria in the digestive tract. This ensures that feed intake stays consistent and keeps digestive upsets at bay.

NUTRITIONAL PUNCH Organic trace minerals help ensure that your animal is healthy on the inside for increased immunity.

Sure Champ® Ration Builder Creep Feed

Combine all ingredients; blend well. Pour evenly into creep feeder. Makes 1 ton.

Rolled Oats	750 lbs.	Molasses Cane	25 lbs.
Cracked Corn	750 lbs.	Soybean Oil	25 lbs.
SC Ration Builder	450 lbs.		

NUTRIENT ANALYSIS (As Fed)

Dry Matter	89.51 %	Copper	24.56 ppm
Crude Protein	14.48 %	Manganese	49.81 ppm
Vitamin A	3,825 IU/lb.	Cobalt	2.08 ppm
Vitamin D	360 IU/lb.	Iodine	3.43 ppm
Vitamin E	4.5 IU/lb.	Selenium	0.29 ppm
Calcium	0.74 %	Fat	4.72 %
Phosphorus	0.43 %	Fiber	5.01 %
Salt	0.44 %	NEg	0.55 Mcal/lb.
Potassium	0.68 %		
Magnesium	0.20 %		
Zinc	86.84 ppm

Don't see what you are looking for?

Give us a call and we will customize a program to your specific needs.

What if I have my own ration, but I want to take advantage of Amaferm®?

Amaferm Digest More® Pellet might be just what you are looking for. Digest More is a concentrated form of Amaferm in an easy to use pellet. Feed from .5 to 1.25 oz. of Digest More to provide 2–5 g. of Amaferm. Digest More allows you to capitalize on the Amaferm advantage without adding any protein, vitamins, or minerals to your ration.

Visit www.vitaferm.com to find your Area Sales Manager or a dealer near you.
